**Débaute-Parent.**

Following the ceremony a reception was held at the home of Mr. and Mrs. Heliodore Lohelle, No. 344 Valley street. Mr. and Mrs. Du-Deau left on the four o'clock Hartford express for a wedding trip. **City Labor Payroll.**  
 The city labor payroll for the week ending November 20th, 1915, totaled \$898.47, divided as follows: Police \$127.99; West Main street improvement, \$140.41; new streets, \$63.99; maintaining sewers, \$13; constructing sewers, \$126.78; waterworks \$63.77.

**Political Possibilities Discussed.**  
 With the annual city meeting less than two weeks away, there is again talk of results heard upon the street. It is generally admitted that the republican ticket is a mighty good one, and many people are of the opinion that it will win at the polls. They state that George F. Taylor gave Mayor Dunn a close run last time, and his record on the building committees of the high school and the Nachau school as well as his excellent work at the time of the School and Home Week celebration will materially aid his chances. On the other hand, Mayor Dunn has not been defeated yet, and his adherents say he will not be this time, if they are any prophets. Outside of the contest for first place, not much argument has been heard.

The call for the city meeting has been issued, and the polls will be open on Monday, Dec. 6, from six to the morning until four in the afternoon, at the following places:  
 First ward, shop of Henry Larkin & Son, rear of 38 Walnut street; second ward, old town building on Church street; third ward, store known as 183 Union street, corner of Milk; fourth ward, building owned by Robert Stanton at rear of 114 Pleasant street. The election will be held that day, and in all probability the city meeting will adjourn at four o'clock to a later date to receive reports, pass appropriations, etc.

**Fire Loss Adjusted.**  
 The first loss on the Wyatt house at Schoolhouse Lane, caused Thursday, was adjusted Monday morning for \$735.

is accomplishing in the treatment of Skin Diseases.

**READ WHAT MRS. FRANK ST. LAWRENCE SAYS:**

22 Grover Place, Norwich, Conn.  
 My daughter has suffered from eczema for over three years. The disease started on her face and then spread to her ears and scalp. It was very discouraging to me when my child did not improve after I had used many of the very best remedies for this disease. I will say that I was rather doubtful when I began to use your E. L. M. Ointment, but within a few days I could notice quite an improvement and I was thankful that I had at last found a remedy which showed that it was removing the disease, and after I had used five boxes of your ointment my child's skin was entirely healed and in a healthy condition.

(Signed)  
 Mrs. Frank St. Lawrence.
